FEATURED PRESENTER:
Luc Lecavalier graduated from the Université du Québec à Montréal (Québec, Canada) in 2001 with a PhD in Psychology. Dr. Lecavalier is interested in diagnosis and treatment of behavior/psychiatric problems in individuals with intellectual disability and/or autism spectrum disorders. He has authored or co-authored more than sixty scholarly publications. In 2008, he was recipient of the Early Career Awards given by the American Association on Intellectual and Developmental Disabilities (AAIDD) and Division 33 of the American Psychological Association (APA). Dr. Lecavalier has taught at undergraduate and graduate levels and served on many thesis and dissertation committees. He is associate editor of Autism: International Journal of Research and Practice and a member of several editorial boards including the Journal of Autism and Developmental Disorders. He is an associate professor of Psychology and Psychiatry at Ohio State and director of the Child Unit of Behavior Support Services at the Nisonger Center.

Please plan to attend and be seated by 5:10 PM.
