12 – 1 PM
230 McCampbell Hall

Featured Presenter:
Marc J. Tassé, PhD is a Professor in the Departments of Psychology and Psychiatry and the Director of The Ohio State University Nisonger Center, a University Center for Excellence in Developmental Disabilities. He is also a licensed psychologist whose experience includes 25 years of experience in conducting research and providing clinical services in the field of intellectual disability (ID), autism spectrum disorders (ASD), and other related developmental disabilities (DD). He has conducted close to 200 trainings, workshops, and presentations related to ID, ASD, and other related DD.

Dr. Tassé’s publication record includes more than 100 articles in peer-reviewed journals, chapters, and books in the area of intellectual and developmental disabilities. He is a co-author of the AAIDD (2002 and 2010) Terminology and Classification Manual and AAIDD User’s Guide (Schalock et al., 2012) as well as Chair of the AAIDD task force working on the development of the Diagnostic Adaptive Behavior Scale. He has also co-authored several published standardized assessment instruments in the field of intellectual and developmental disabilities, including the assessment of adaptive behavior, assessment of problem behavior, and measurement of support needs. Dr. Tassé is a Fellow and Past-President of the American Association on Intellectual and Developmental Disabilities (AAIDD), and a fellow of the American Psychological Association (APA), and International Association for the Scientific Study of Intellectual and Developmental Disabilities (IASSIDD). He has also consulted and testified in several capital cases involving intellectual disability determination.
