

B-HIP: Be Healthy Information Program

The Be Healthy Information Program (B-HIP) was developed to help children and adults with disabilities understand the relationship between healthy behavior and feeling good and how to live a healthy lifestyle. We appreciate your participation in our efforts and hope that you will help us improve these materials by providing the information below. If you have any questions or concerns please feel free to contact Susan Havercamp, PhD at susan.havercamp@osumc.edu or 614-247-6629.

Please return form in the enclosed pre-paid envelope to: Susan Havercamp, Ph.D., The Ohio State University Nisonger Center, UCEDD, 1581 Dodd Dr., Columbus, OH 43210.
