

# Healthcare Access for Persons with Disabilities

**Target Audience:** Physicians, registered nurses, certified health education specialists, and others who care for persons with disabilities or have an interest in caring for persons with physical, sensory, and developmental disabilities.

**Program Descriptions:** These courses are designed to increase the capacity of health care providers to provide quality healthcare for persons with disabilities. These trainings will present various disability issues and strengthen participants' competence in physical and sensory (Part I) and developmental (Part II) disabilities.

**Content Expert:** Susan M. Havercamp, PhD Associate Professor of Psychiatry and Psychology. Nisonger Center, UCEDD, The Ohio State University.

WB1906 Part I: Persons with Physical and Sensory Disabilities	WD1671 Part II: Persons with Developmental Disabilities
<p>Participants will gain a better understanding of health, wellness, and care issues concerning people with physical and sensory disabilities and will:</p> <ul style="list-style-type: none"> <li>Identify the four goals of The Surgeon General's Call to Action to Improve the Health and Wellness of People with Disabilities,</li> <li>Recognize the four barriers to quality healthcare, as addressed in the <u>Americans with Disabilities Act</u>,</li> <li>State a minimum of five skills to increase good communication and rapport to enhance accurate assessment and delivery of quality care.</li> </ul> <div style="display: flex; justify-content: space-around;">    </div>	<p>Upon successful completion of the program, participants will be able to:</p> <ul style="list-style-type: none"> <li>Define disabilities, particularly developmental disabilities.</li> <li>Summarize the Americans with Disabilities Act, Developmental Disabilities &amp; Bill of Rights Act of 2000, and the Rehabilitation Act.</li> <li>Identify common developmental disabilities and associated secondary conditions.</li> <li>List barriers to quality healthcare for people with disabilities.</li> <li>Develop a minimum of five skills to increase good communication and rapport to enhance accurate assessment and delivery of quality care for patients with developmental disabilities.</li> </ul>

**Format:** On-Demand Presentations – Windows Media Player video file (Part I) and PowerPoint Show file (Part II)

**Hardware/Software:** Audio speakers/headphones; Internet browser; Microsoft Office PowerPoint and Windows Media Player

**Origination Date:** 12/19/2011 (Part I); 8/15/2010 (Part II)

**Expiration Date:** 12/19/2013 (Part I); 8/15/2012 (Part II; in process of renewal)

**Method of Participation:** You may participate in the web course by viewing it at the address below. To evaluate this course, receive a certificate, and be able to print-out an ongoing transcript of all your TCEOnline CE activities for credits/contact hours, please go to www.cdc.gov/TCEOnline. More detailed directions can be found underneath **Contact Information**.

★ To access these courses please go to: <http://nisonger.osu.edu/disabilityconted.htm>

## Accreditation Statements:

- CME:** The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.  
The Centers for Disease Control and Prevention designates these **web based educational activities** for a maximum of **1.25 AMA PRA Category 1 Credits™** for WB1906 and **1.0 AMA PRA Category 1 Credits™** for WD1671. Physicians should only claim credit commensurate with the extent of their participation in the activity.  
**Non-physicians will receive a certificate of participation.**
- CNE:** The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.  
This activity provides **1.1** contact hours for WB1906 and **1.0** contact hours for WD1671.
- CEU:** The CDC has been approved as an Authorized Provider by the International Association for Continuing Education and Training (IACET), 1760 Old Meadow Road, Suite 500, McLean, VA 22102. The CDC is authorized by IACET to offer **0.1** ANSI/IACET CEU's for WB1906 and **0.1** ANSI/IACET CEU's for WD1671.
- CECH:** Sponsored by the *Centers for Disease Control and Prevention*, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc.. This program is designed for Certified Health Education Specialists (CHES) to receive up to **1.0** Category I CECH in health education for WB1906 and up to **1.0** Category I CECH in health education for WD1671. CDC provider number **GA0082**.

## Disclosure:

In compliance with continuing education requirements, all content experts must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, and the content experts for this seminar do not have financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters.

This presentation does not involve the unlabeled use of a product or product under investigational use.

CDC does not accept commercial support.

## Pre-Requisites and Fees:

No fees are charged for CDC's CE activities, and no pre-requisites are required before taking these courses.

### Healthcare Access for Persons with Disabilities Part I: Persons with Physical and Sensory Disabilities (Web-based)

**Course Number:** WB1906

This course is designed to help health care providers provide quality healthcare to people with disabilities.

Participants will gain a better understanding of health, wellness, and care issues concerning people with physical and sensory disabilities and will:

- Identify the four goals of The Surgeon General's Call to Action to Improve the Health and Wellness of People with Disabilities,
- Recognize the four barriers to quality healthcare, as addressed in the Americans with Disabilities Act,
- State a minimum of five skills to increase good communication and rapport to enhance accurate assessment and delivery of quality care.

This training will present various disability and health issues and strengthen participants' competence in caring for people with physical and sensory disabilities (i.e., blindness and deafness). Training includes a video developed by the World Institute on Disability and featuring the perspectives on access to healthcare of people with disabilities. Presented by Susan M. Havercamp, Ph.D., Associate Professor of Psychiatry and Psychology, Nisonger Center, UCEDD, at The Ohio State University.

**TARGET AUDIENCE:** This training has been designed for physicians, registered nurses, certified health education specialists, and others who care for persons with disabilities or have an interest in caring for persons with disabilities.

**MATERIALS:** Computer with internet access and speakers.

**CE Expiration Date:** 1/9/2014

**CE Accreditation Statements**

Register Here	
<b>CE Available</b> Select the appropriate continuing education.  Select audit for courses without CE or if you do not want CE.	<input type="radio"/> 1.25 CME (for physicians) <input type="radio"/> 1.25 CME (attendance for non-physicians) <input type="radio"/> 1.1 CNE (for nurses) <input type="radio"/> .1 CEU (for other professionals) <input type="radio"/> 1 CHES (for certified health education specialists) <input type="radio"/> 0 Audit
Click submit to Register for your selection and obtain event information.	<input type="button" value="Submit"/>

After you read the course objectives, click on the "Course Link". This will take you directly to the course.

## Step 5

- The following window should display. Click on the course you want to take.

*Thank you for visiting the Nisonger disability continuing education page! From here you can access two courses that are approved for continuing education by the Centers for Disease Control and Prevention for physicians, nurses, certified health education specialists and other health professionals.*

[For more information about these courses and CDC accreditation \(continued education credit\), please click here.](#)

### Healthcare Access for Persons with Disabilities

#### Part I: Persons with Physical and Sensory Disabilities

To learn more about the health and healthcare issues for people who have mobility and sensory disabilities (including people who use wheelchairs or other mobility aids, are blind, or Deaf), click the link below. You will first be taken to a pre-test you must complete before beginning the course.

[Click here for Healthcare Access for Persons with Physical and Sensory Disabilities](#)

#### Part II: Persons with Developmental Disabilities

To learn more about health issues and barriers to healthcare for people with developmental disabilities (including intellectual disability, autism spectrum disorders, and cerebral palsy), click the link below. You will first be taken to a pre-test you must complete before beginning the course.

[Click here for Healthcare Access for Persons with Developmental Disabilities](#)

**PLEASE NOTE:** After completing the course, you **must** go to the CDC website below to claim your credit. You will need to take a post-test in order to receive credit.

**CDC website for CE credit:** <http://www2a.cdc.gov/TCEOnline/index.asp>

*If you have never taken a CDC CE course you will need to register for the system. If you have previously taken a CDC course for credit sign in.*

- Once signed in, click on the Search option on the menu on the left side of the page.
  - For credit for Part I: Persons with Physical and Sensory Disabilities, type **WB1906** in the search box.
  - For credit for Part II: Persons with Developmental Disabilities, type **WD1671** in the search box.
- Click on the title of the course. The course description will display. Scroll down to the box at the end and click the type of credit you are requesting and click Submit.

Please contact Steve Rosensweig with technical questions and problems, [steven.rosensweig@osumc.edu](mailto:steven.rosensweig@osumc.edu)  
Contact Susan Favercamp with comments about the training at [susan.favercamp@osumc.edu](mailto:susan.favercamp@osumc.edu)

*We hope you enjoy these courses and that they are helpful to you in your practice!*

- Clicking on either course link will give you a short pre-test you must complete. At the end of the pre-test the link to the course will display. Please click on the link to launch the course.

Step 6

- **PLEASE NOTE:** After viewing the course, you will need to go back to the CDC website to get your credit! Follow the same steps above but instead of clicking on “Course Link” in step click on the number of credits you are requesting and click “Submit”. If you have never taken a CDC continuing education course before you will need to register. If you have already registered, enter your login information.

Click on the number of credits you are requesting. Then click “Submit”
