WD1671 - Healthcare Access for Persons with Disabilities
Part II: Persons with Developmental Disabilities

Please read each step before beginning.

Step 1:

Click link below to launch the Pre-test. At the end of the pre-test will be a link to launch PowerPoint Training (see Step 2).

Click here to launch pre-test. This will open in a new window.

For assistance contact Susan Havercamp: susan.havercamp@osumc.edu

Step 2:

Follow link to Powerpoint at the end of Pre-Test in Step 1.

At the end of the PowerPoint training presentation will be a link to the CDC website to receive your credit.

If you do not have PowerPoint on your computer, click here to download free PowerPoint Viewer software. This will open in a new window.

For assistance contact Susan Havercamp: susan.havercamp@osumc.edu

Step 3:

To complete online evaluation:

1 Go to the *CDC Training and Continuing Education Online* (**link available at the end of the PowerPoint training**). If you have not registered as a participant, click on **New Participant** to create a user ID and password; otherwise click on **Participant Login** and login.

2 Once logged on to the *CDC/ATSDR Training and Continuing Education Online* website, you will be on the **Participant Services** page. Click on **Search and Register**. Use either search method to locate the course **WD1671** and click on **View**.

3 Click on the course. The course information page will come up. Scroll down to **Register Here**. Click on the type of CE credit that you would like to receive and then **Submit**. Three demographic questions will come up. Complete the questions and then **Submit**.

4 If you have already completed the course you may choose to go right to the evaluation. Complete the evaluation and **Submit**. A record of your course completion and your CE certificate will be located in the **Transcript and Certificate** section of your record.

If you have any questions or problems *with this step*, contact:
