

The Ohio State University Nisonger Center
A University Center for Excellence in Developmental Disabilities

***Can You Hear Me Now? Listening to People with Intellectual and
Developmental Disabilities in Health Research***
Rehabilitation Research and Training Center on Health and Function

PURPOSE	The goal of this Rehabilitation Research and Training Center (RRTC) is to conduct systematic research that contributes to improving the long-term health-related function and quality of life for adults with intellectual and developmental disabilities (IDD).
OBJECTIVES	<ol style="list-style-type: none">1) Adapt diagnostic, health, and health-related quality of life measures to allow adults with IDD to speak for themselves in health research;2) Determine the prevalence of mental health conditions and health outcomes among adults with IDD; and3) Establish best practice guidelines to improve mental and behavioral health care for adults with IDD.
PERSONS SERVED	Adults with IDD, including adults with co-occurring psychiatric and behavioral disabilities
REFERRALS	We will recruit participants for our research studies.
LEADERSHIP	Lead Principal Investigator (PI): Susan Havercamp, PhD Co-Principal Investigators (Co-PIs): Marc J. Tassé, PhD, and Gloria Krahn, PhD
SERVICES	RRTC is focused on research and training. Direct services are not provided. For more project information, including recruitment eligibility, please contact Alexa Murray (see below).
FUNDING	RRTC is funded by the National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR) (Grant Award 90RTHF0002-01-00) (CFDA 93.433) (Project Dates: 2018-2023)
COST	None
CONTACTS	Susan M. Havercamp, PhD, FAAIDD Email: Susan.Havercamp@osumc.edu Phone: (614) 685-8724 Alexa J. Murray, MGS, MA Email: Alexa.Murray@osumc.edu Phone: (614) 685-3424
