

THE NISONGER CENTER

IDD/RESEARCH FORUM PRESENTS:

ERIC BUTTER, PHD

ONGOING STUDIES UNDERWAY WITH THE AUTISM TREATMENT NETWORK

Please Join Us:

Wednesday, December 5, 2012

5:15 – 6:30 PM

250 McCampbell Hall

Featured Presenter:

Dr. Eric Butter is a clinical psychologist/research associate at the Nisonger Center, UCEDD, and the principal investigator for Autism Treatment Network (ATN), projects at Nationwide Children's Hospital. Dr. Butter will be describing half-dozen studies that are being conducted, under the auspices of the ATN, at Nationwide Children's Hospital Autism Center.

Please plan to attend and be seated by 5:10 PM.
